Ordinance 17656

Proposed No. 2013-0354.1

Sponsors Phillips

1 AN ORDINANCE approving the City of Snoqualmie

2 Water System Plan.

3 STATEMENT OF FACTS:

4 1. King County has adopted K.C.C. chapter 13.24, which requires
5 approval of comprehensive plans for water utilities that distribute or obtain
6 water in unincorporated King County as a prerequisite for operating in
7 unincorporated King County, receiving approval for annexation proposals,
8 being granted right-of-way franchises, and being given approval for right-
9 of-way construction permits. K.C.C. 13.24.060 prescribes the
10 requirements for approval of such plans, including consistency with state
11 and local planning requirements.

12 2. RCW 70.116.050 requires that general comprehensive plans for water
13 within critical water supply service areas be submitted to, and approved
14 by, the legislative authority within whose boundaries all or a portion of a
15 utility lies.

16 3. The city of Snoqualmie's ("the city's") previous water system plan was
17 prepared in 2005. Both Washington state Department of Health ("DOH")
18 and King County regulations require water system plans to be updated
19 every six years.

42 7. The DOH approval of the city's plan is pending King County council
43 action.

44 8. Under the state Environmental Policy Act, the city of Snoqualmie
45 issued a determination of nonsignificance for the issuance of the plan on
46 June 25, 2012, and there were no appeals.

47 9. The city's operations and facilities meet multiple existing statutory,
48 administrative and planning standards. As the city's operations, facilities
49 and planning meet the requirements of the King County Code, and are
50 consistent with the King County Comprehensive Plan, the UTRC has
51 recommended approval of the plan.

52 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

54 ordinance, is hereby approved as a water system plan.
